Full Stack Web Development

Certified Full Stack Web Developer familiar with a wide range of programming languages and packages. Experienced in back-end and front-end development. Team player with great technical skills, clear communication, and terrific work ethic.

SKILLS: JavaScript ES6+, HTML5, CSS 3, GitHub, GitLab, Express, React, Node, MySQL & MongoDB, GraphQL, Bootstrap, jQuery, Handlebars

EDUCATION: *Full Stack Web Development Certification – Berkeley Extension* **Dec '22 - May '23**
Bachelor's Degree in Finance & Economics – University of Nebraska at Lincoln **Aug '06 - May '11**

PROJECTS: **NeedleJunkeez** - needlejunkeez.herokuapp.com
Music based social media site geared towards record collectors and audiophiles. Users create a profile, search for albums to add to their favorites, add friends, see their music, and get links to buy the album! This is V1 that we intend to continue to develop. This app is built using the following programs: React, Node, Express, MongoDB, GraphQL, and Apollo. Connected the following API's: Spotify, Discogs, and Stripe.

aquaDown - aquadown.herokuapp.com
Plant care app that helps users take care of their plants. It provides them with accurate and timely data about watering and sun exposure. Users create a profile, search for plants, and add them to the library of plants and associated data. View the profile to get a list of plants and their information. This app showcases back-end skill sets, using these programs: NodeJS, Sequelize, MySQL, JavaScript, and Express.

EXPERIENCE: **Snowmaker & Snowcat Operator** – *Palisades Tahoe, Olympic Valley, CA* **Sept '20 - Aug '22**
Snowmaker and groomer for Palisades Tahoe Resort. Daily responsibilities include turning on the snowmaking system, making snow, and shutting down all the processes on a daily basis. Managed transportation of critical equipment around the mountain in order to appropriately groom & maintain ski runs utilizing heavy machinery.

Appliance & Flooring Sales Specialist – *Lowe's, Silverthorne, CO* **April '16 - Sept '20**
Amassed knowledge of various household appliances and flooring products to help customers make informed decisions. Assisted in order management process from the manufacturers to facilitate product delivery from the manufacturers to the purchasing customer. Worked directly with the client to understand their needs and space requirements, ordering all necessary components, and scheduling delivery and installation to maintain customer loyalty. Combined, these departments generated over \$15 million in sales (appx 30% of total sales) per year for the Silverthorne location. High pace, high demand environment leading to excellent customer service skills and in-depth understanding of store management systems.

Accounts Receivable – *Alpine Meadows Management, Breckenridge, CO* **Jan '13 - Sept '16**
Served as a key contact on timeshare and property accounts for 13+ Homeowners Associations (HOA's) in accounts receivable. Managed statements and organized payments through QuickBooks to ensure appropriate allocation of funds to management companies and property owners. Served as liaison between HOA boards and property managers to mediate issues pertaining to community accepted quality policies, maintenance services, and expenditures of HOA funds. Record monthly HOA meeting to adequately document alteration to governing agreements and bodies.
